It's really amazing
Jurd just what did you teach her?
Get real!
It's nothing to be amazed at. You had been isolated from the world!

Do you know the world then ?

Sleep well I am go ng to k ll the l ght
Don't th nk hard wth that bra n of yours

Hmmph

...About the world ....
It's your fault that you let her grow like that !

Who is there ?

Son should be attending to the morning prayer
Ah I see it must be hard to be a prince
Oh it's you Eric
Ah your highness
Where's the prince
Um Son
Eh
Eric what do you think of my prince ?
In another word he's just a fearless dork That's what you are saying
I think your son is not driven by crowd and executes his actions fearlessly
Eh

Thanks for your honest answer.
I didn't mean that... I mean ... he is honest and brave ...
No.
I think he is always cool-headed and analyzes situations very well and is reliable
what kind of relation -ship?
Don't be so uncomfortable. We have a great relationship. Come on.
Ho

Of course. of course he s my son He s awesome. right ?

www.jaimes.com

He has read and understood all books here.

So far
right now
that Sion is wise ?
Can it be ... can it be ...
It's not comic boosk...
He studied all by himself

That's a lie ~
a lie
He is smart. Honestly he is too smart.
He keeps his words and he follows the rules perfectly
Sion is well done.
I don't understand him often
I am a failure as a parent
yes it was all because of my fault
EE EE

www.animes.com

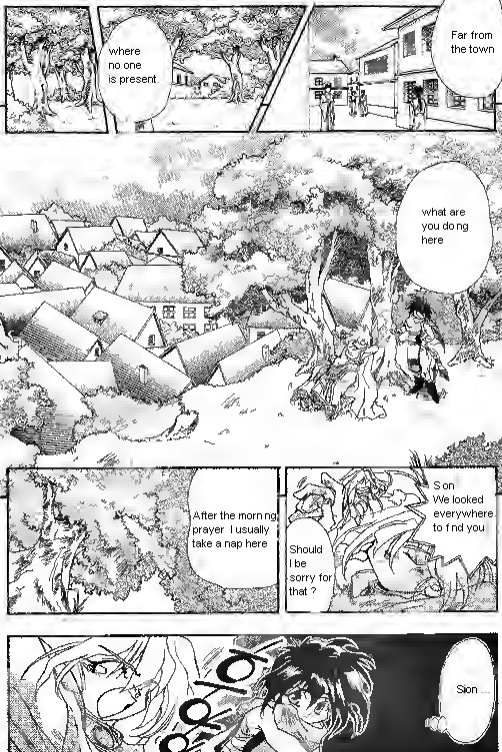
The story is cut in a middle and I will get curious !
Your majesty ?
If ... you do this ...
What do you mean
Majesty !
You were
You know what he was trying to say, right ?

Ah yes a little bit
Do you know the d fference between a wizard and a pr est ?
Sr Erc
that s all I know
Mana
holy power
People often have a talent in either power and can trained to be greater
Pr ests use holy power and Wizards uses mag c
there are people with both powers, but there are also people with no power at all like me
ho~
Pr ests ask God to borrow power and Wizards man pulate God s power to create power
What about it?
Janimes
www.janimes.com

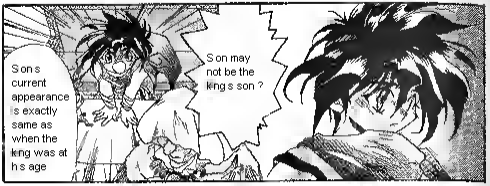
www.jaimes.com

As you see, this is a sacred country, and the king himself is a high priest.
And the holy power is passed down by generations.
Eh ?! Wait !
S'on s
Yes
The prince has mana instead of holy power. He is the first case in the royal family tree.
The prince S'on may not be the true son of the king

Episode 11
A wizard in a sacred country

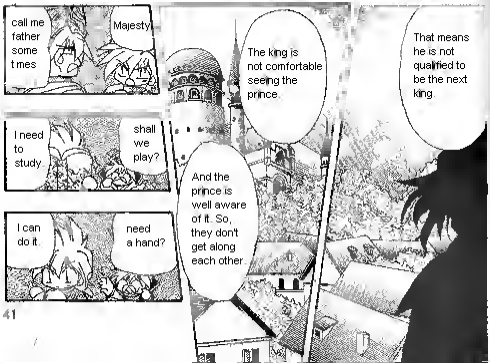


where no one is present
Far from the town
what are you doing here
After the morning prayer I usually take a nap here
Should I be sorry for that ?
Son We looked everywhere to find you
Sion ...



Son s current appearance is exactly same as when the king was at his age
Son may not be the king s son ?

The king wants to believe that Sion is his son.
But he has no holy power at all !

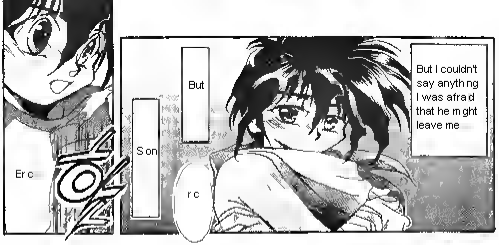


call me father some times
Majesty
I need to study
shall we play?
I can do it.
need a hand?
The king is not comfortable seeing the prince.
And the prince is well aware of it. So, they don't get along each other
That means he is not qualified to be the next king.

The king blames himself that he was the cause
Besides, the prince does not speak much. So, no one knows what he is really thinking.
I wish he relied on me a little
He did everything by himself He was not like a child at all
Son did ?
He speaks to me pretty much freely
Um
The prince likes you very much.

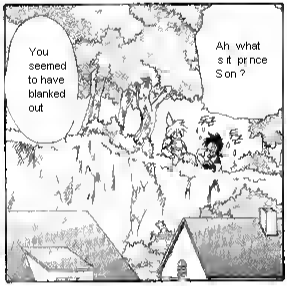
Jaminés
www.jaminés.com

Eh?
I haven't seen his face like that for a long time.
Like ...?
strange
So he can speak to you freely and can be honest to you
I liked my brother so much that I couldn't be hard on him.
I wanted to go on journey with him. I didn't want to wait at home.
I wanted him to play with me more.
His face had serenity

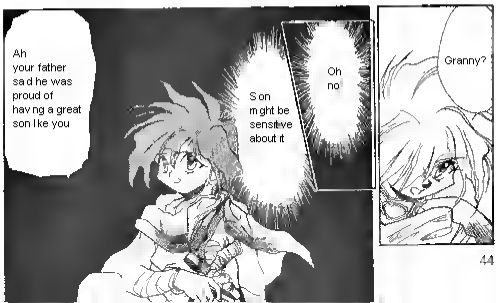


Er c
Son
But
r c
But I couldn't say anything I was afraid that he might leave me

I was thinking what the granny said
Son may not be the prince



You seemed to have blanked out
Ah, what's it prince Son?



Ah your father said he was proud of having a great son like you
Son might be sensitive about it
Oh no!
Granny?

Why were you looking for me ?
Ah
What books ?
I wanted to read some books
Eh? Um about magic since you cast magic well
Um
it's
I can't hide anything or lie to him
Hmm
Did she say that I am not qualified to be the next king because I have no holy power?
How does he know so much.
I didn't say anything
How did you
Janimes
www.janimes.com

I don't know how important the power s s nce I don't have neither
But you are still S on even f you only have mana
So
S on
I
I know
I am go ng to leave tomorrow morn ng
www.jaimes.com

Sion is the heir of this country. You shouldn't be going out like this !
You should be prepared to take over the country !
Sion has to remain in the castle !
I will prepare also then.
remain?
Hmm
You should worry about yourself
I know Jurd. Follow me.

Why don't you seek the shr ne of foundat on ?

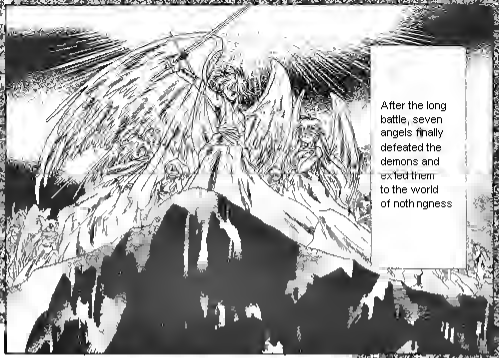
She's better than n nja
She was spy ng on me aga n
Granny S nce when and how
A long time ago, there was a battle between Gods and demons. The battle was long and deadly

Janimes
www.janimes.com



Such a legend is still passed down even now.
Eh, I was told for the first time.
The seven angels spread seven sacred stones
to pray for peace.
it's a common tale.
Didn't your know-it-all brother tell you?

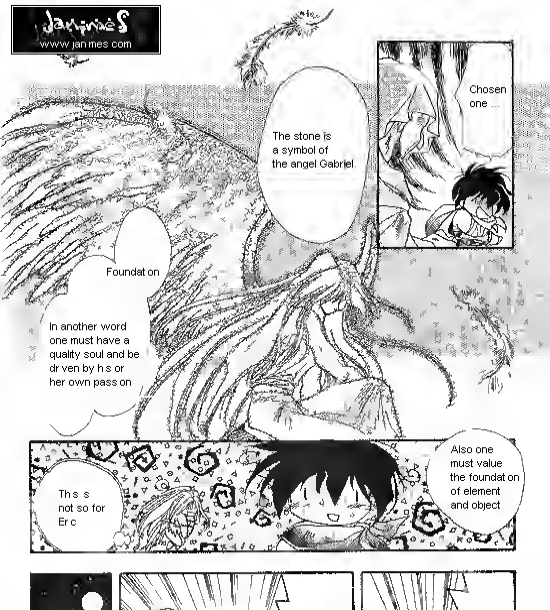
Jenimes
www.janimes.com

It's not far from here. Why don't you pay a visit ?
But
And one of the stones are in the shrine of foundation?
The stone has observed the world since its creation.
It is said that the stone can give you answers for everything
Huhu
What would be the point of seeking this stone?
So if we ask the stone
Oh

ask whether he killed Daboros or not
We can also ask what kind of person my brother really was
about Diaboros' whereabouts
Bes des
and ask whether you are the true princ ce or not
We can br ng the stone here
However, the stone only gives answers to chosen ones

www.jaimes.com

www.janimes.com



Chosen one ...
The stone is a symbol of the angel Gabriel
Foundat on
In another word one must have a quality soul and be dr ven by h s or her own pass on
Also one must value the foundat on of element and object
Th s s not so for Er c

Herbs and clothes to change
Hehe
Hehe don't you feel the same S on?
Why do you look so restless
old tale

that speaks to only chosen ones
Adventurous sp rit is getting nto me

You really believe in the legend ?
Son why didn't you tell me about the tale ?
I still don't get why you are so restless
Eh?
So, it is possible that the story may have been changed here and there.
That means we don't know which part is truth and which part is false.
Such stories are made by humans.
But the shrine or foundation does really exist. So, it's a proof that the tale is truth !
Or even worse, the whole story may be fake.

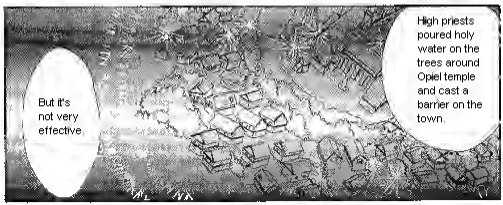
10 years ago when Jurd defeated D aboros peace covered the whole word



But it's not very effective.
High priests poured holy water on the trees around Opiel temple and cast a barrier on the town.

Did Diaboros really reincarnate?
Diaboros
Past 10 years was really peaceful I admit it was Jurd who made it possible
But at this rate the town the world

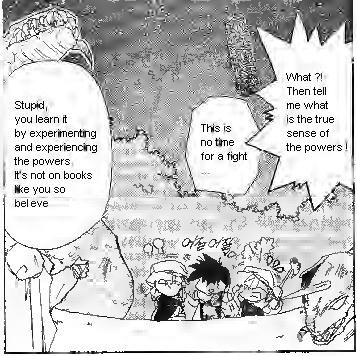
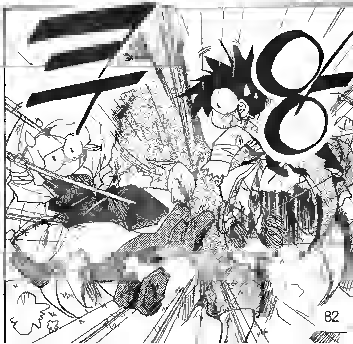
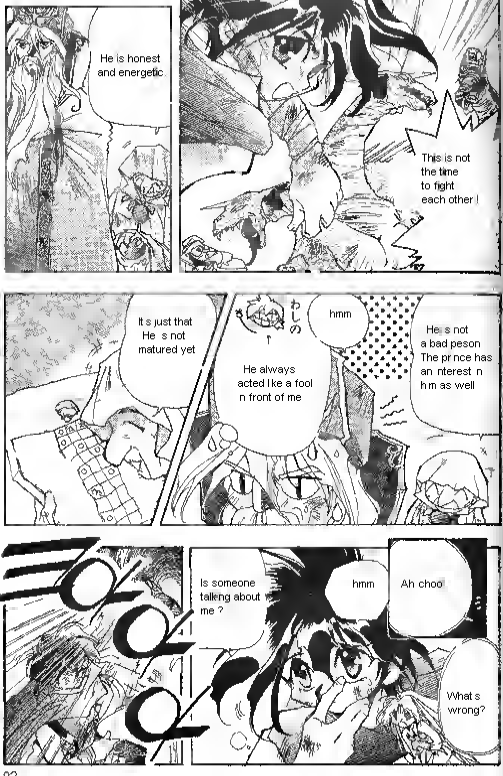
the prince of this country is a wizard!
Hm
Waaaah! Right in front of him!
Him
Him
Him
I am really worried of the future of this country!
I want to say few things as a wizard
You only pray for assistances from gods and do not really know the true sense of the powers. You are the fools.
Black hair changes as Sien's wish
God's power, you've learned the basis of the power and obtained it.
On fight with Tnt



Stupid, you learn it by experimenting and experiencing the powers. It's not on books like you so believe
This is no time for a fight
What ?! Then tell me what is the true sense of the powers !



www.janimes.com



He is honest and energetic
This is not the time to fight each other !

He k lled the monsters and saved us Though he was a bit cruel
Everyone you don't have to be so mean
They will not accept a wizard unless the wizard is a prince

That s why h s personality has become so bad
Their concept of magic is different.
It cannot be helped.

I haven't seen the pr nce so open m nded s nce Jurd
I believe it is safe to let the prince go on a journey with him
Yeah it w ll be an awesome country f you can do that

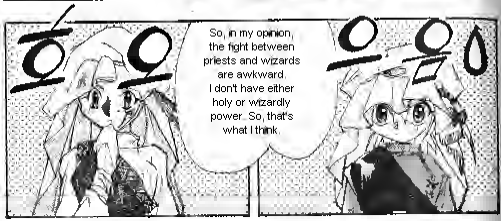
I just wanted to say
Although I do not approve of kl ing them all, you knew that you d be known as a w zard but you st ll d d it
If we kept on f ght ng l ke we d d...a lot would have d ed n the end

Maybe, the holy powers and wizardly powers are the same thing from root all along. Maybe, it was us that defined and divided the powers as they please.
Maybe, priests and wizards are all the same to gods.



So, in my opinion, the fight between priests and wizards are awkward. I don't have either holy or wizardly power. So, that's what I think.

www.janimes.com

No. just same name
Son ? Are you the pr nce ?
Your majesty, are you allowing the prince to go on the journey?

Am I really the prince of Adbis ?!

If so ..., why don't I have the qualification as a priest ?! Why not ?! What am I ?

I am ashamed.

Janimes
www.janimes.com

He was set to kill any human being in front of him.
The monster was being controlled.
He was set to destroy the stone and to kill anyone approaches it
Because of Daboros ?
Is that
Almost every monsters are being controlled now
If you are going to blame anyone blame him not Son
Probably so

Janimes
www.janimes.com

He must be hiding in another dimension
In order to get there..I must create a magic circle in Ebis of Abas and we will get there easy with my skill
However, a young one like yourself who can't not even get out of your own fantasies,
do you think you can defeat Diaboros ?

You sound weirder now.
Sion ? What's wrong ? You have always been weird.
Huh ?
Where did you learn such a spell ?
And the magic that dispelled the shrine's seal.
Well...
You are not Son are you ?
Let s get some rest n a nearby town
We w ll talk about D aboros after then

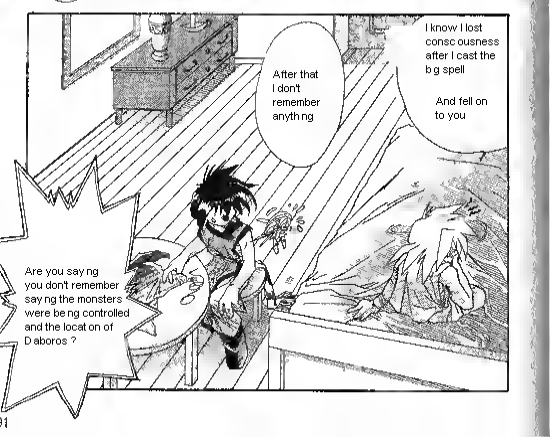
Episode 19 : Determination of a path one has walked on.

Janimes
www.janimes.com

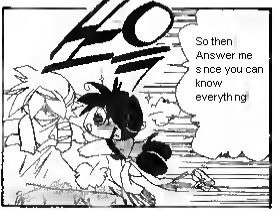
Where are we ?

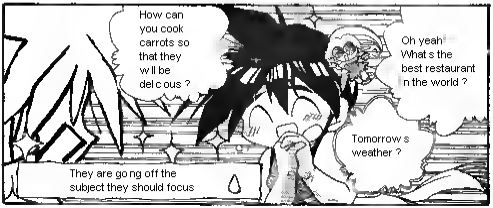


I know I lost consc ousness after I cast the b g spell
And fell on to you
After that I don't remember anyth ng
Are you say ng you don't remember say ng the monsters were be ng controlled and the locat on of D aboros ?

You don't remember that you have to cast some magic in some places in order to get to some dimension ?
Ebis of Abas !
It's because I was told only once I need to be told at least five times...
Argh ! You can't even remember, Eric ?!
Have you realize that the stones buried in your left wrist ? Don't you remember anything ?
Oh and
Don't compare me with Eric
Maybe you forgot also because a day passed
it's ok You at least remembered some

Yeah
I was able to
learn the spell
from th s stone
Honestly
I d dn't want it
re-
covered
Eh ?
So the tale
was true!
You can now
ask the stone
whether you are
the real prince or
not !
Hohoho
My
victory on
this one !
Sion, you
said you
didn't
believe in it
you
remember
those well





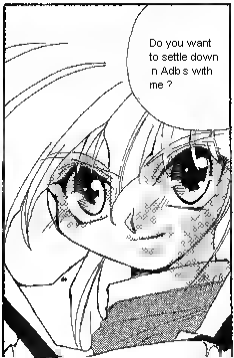
How can you cook carrots so that they w ll be del c ous ?
Oh yeah! What s the best restaurant n the world ?
Tomorrow s weather ?
They are go ng off the subject they should focus

Jaminés
www.janimes.com

So, that's how you could cast that strange magic. Can you teach me some?
You can't handle it
That's because information from the stone was flown into me.
But at least we know where Diaboros is.
So, the tale wasn't completely truth. The stone doesn't know everything.
Merlin was killed by Sion.
Yeah
Why are you in a bad mood ?
I don't know
Was it a side effect of the stone that you became all weird ?
Where are we going ?
Ebis of Abas?
No?

www.fr.lelmanga.com

Adbis



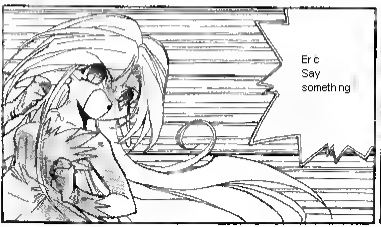
Do you want to settle down n Adb s wth me ?

Why? D d you forget some th ng?
D d you m ss your father ?

It's a good country. There are plenty of food and it's a modern city.
Public security is top touch.
It's boring to live there, but I guess I can lot it go along if it s with you.

Forget that guy

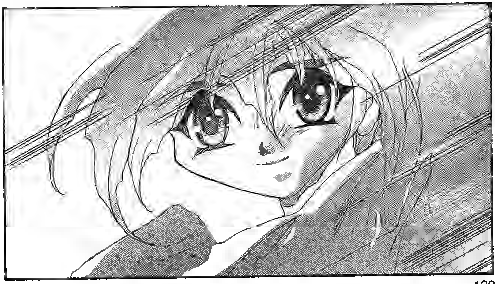
What s with you ? Why are you not go ng to Eb s of Abas ? We have to defeat D aboros!
I am tired



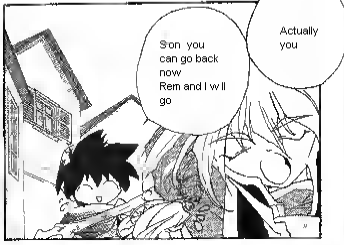
Er c Say someth ng

Ah

S on are you ser ous ?
It s better to l ve safely there



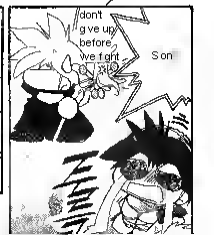
No
You must come with me !!



Actually you
Son you can go back now Rem and I w ll go

You will be killed
You w ll be killed
Eh
You w ll be killed
You are not even a match for h m Let s go back
But
Hey... the guy s strong
um
But I can't

I ve made up my m nd
Even so I w ll f ght
It s too much for you Forget it



don't g ve up before we f ght
Son

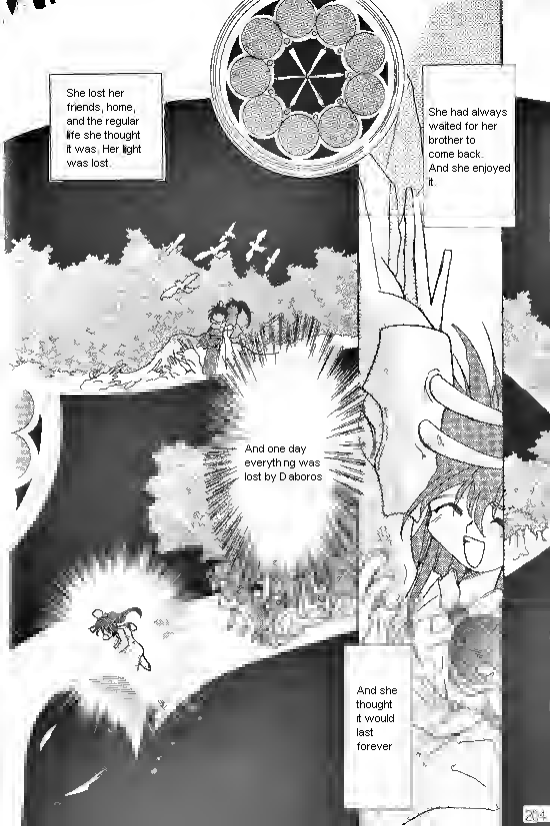
You can't kill because it was your friend ?! Even if it was a friend, it was set to kill us all !
I realized from the previous event. You don't see a fight as a fight.
You are too full of yourself. You do not see reality as reality. You only th nk the way you like. You escape from the truth !
So stop all th s !
You l've n your own past. With such a noncommittal attitude you WILL be killed!
But I've already dec ded

My bro told me stories he went though on his journey. He cooked for me ....
I was wait ng for my brother to come back and played with monsters
You see I was happy when I lved n a forest

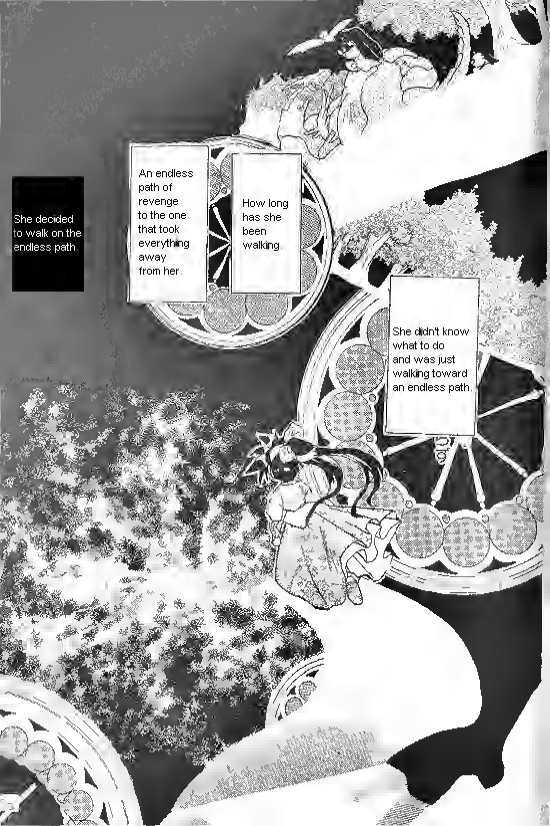
And the one day

And my friend, Merlin, was controlled by Diaboros.
And it was Daboros that was the cause and my brother was killed by him
The bard told me the monsters killed all villagers
It wasn't Son's fault It was Daboros
Yeah
Why
did It have to happen
I will not forgive him
I've already decided
Daboros

Besides ...
at first,
I thought I was
doing this for my
self ...
The
weather
became
strange
I was
almost
eaten
by a
monster
The
monsters
are
attacking
our town
And even
Merlin
So
I've decided
to fight for
everyone
This
child



She lost her friends, home, and the regular life she thought it was. Her light was lost.
She had always waited for her brother to come back. And she enjoyed it.
And one day everything was lost by Daboros
And she thought it would last forever



She decided to walk on the endless path.
An endless path of revenge to the one that took everything away from her.
How long has she been walking.
She didn't know what to do and was just walking toward an endless path.

I have more than enough time left! So I will follow you to the end!
Let's go to defeat Diaboros !
But what about the food?
To ... the final volume.
